THE SIMPLE START MAP

Your first 7 days, day by day. The exact start my ambassadors get.

No guessing. No 47 tabs open. One small step a day, and I am right beside you.

DAY 1

Welcome day

Open your welcome message from me and save your Shaklee ID somewhere safe. Get into The Collective, our team chat, and say hi. That is the whole job today.

DAY 2

Guide + your why

Read your Quick Start Guide and take a peek inside the Launch Academy. Then write your why in one sentence. Not for me. For you, for the hard days.

DAY 3

One honest question

What do you actually want from this: products for yourself, casual sharing, or really building? There is no wrong answer. Your answer sets your pace, and I match it.

DAY 4

Learn your link

Your link is how people order from you, and learning it takes five minutes. Then look at the products you picked and what each one actually does.

DAY 5

Your launch call

Sometime in this first week we set a 20 minute launch call, if you want one. We make your simple plan together, sized to your real life and your real hours.

DAY 6

Start your list

Just names. People you would genuinely love to help, on paper. No pitching, no messaging anybody yet. Names first, conversations later, in that order.

DAY 7

Check in with me

Tell me what you got done, what is confusing, and what you need. That is week one, done. See how doable this is when somebody just tells you the steps?

You do not have to do this perfectly. You just have to start, and you never start alone.
